Updated Fee Schedule

The table below lists the current fee schedule for enrollment, technology, books, and assessment for the upcoming year at Quba Academy.

Registration fees are *non-refundable* and due immediately upon registration. For your convenience, there are options available for tuition payment; fees may be paid in 10-month installments, as a one-time payment, or post-dated checks. Upon enrollment, full tuition for that month is due; monthly tuition will not be prorated.

If a student withdraws during a given month, any fees that have been submitted for that month will *not* be returned. Report cards and test results will *not* be released until all applicable student fees are made current.
